

TENDER ANNOUNCEMENT – EVENT #54484

K4 SHAFT – SURFACE BUILDINGS

CONSTRUCTION OF LAMP & CRUSH ROOM ALTERATION

AND COVID SCANNING ENTRANCES

Sibanye-Stillwater with its operations based in Marikana, is looking for a Service Provider that will Provide Building Construction Services for Lamp & Crush Room Alterations and new Covid Scanning Entrances. Full detailed scope of work available in the tender document.

The Purpose of this notification is to identify potential service providers for this business opportunity. Kindly respond to this announcement if you wish to be invited to tender and you and / or your partner meet the minimum criteria as set out below:

Construction is a ring-fenced commodity therefore Local Community suppliers will be given preference. Partnerships/JV will be considered if the partners meet the minimum criteria and at least one partner is from the Communities surrounding the Marikana Operations. In the event of a partnership, the contract will be created in the name of the local partner or entity. Eligible JV partners will be evaluated on split scoring for all criteria during the tender stage adjudication.

NB. JV Partners to submit the above for both entities.

If you wish to participate in the tender process, kindly submit the following information to Malinda.Viljoen@sibanyestillwater.com before closing date of **26 November 2021, 16:00 pm**.

- Event Number #54484
- Name and Surname
- Contact number
- E-mail address
- Company name

Minimum Criteria to be supplied in response to the EOI:

1. A Minimum CIDB Grading of 4GB – JV Partners to submit a Joint CIDB Graded Certificate, independent Grading will not be considered.
2. A Valid Sibanye Stillwater Vendor Registration Number
3. A Valid BBEEE Certificate
4. A Valid Tax Clearance Certificate
5. A Valid Letter of Good Standing
6. Proof of Construction Projects Executed above R3m in the Last 6 Years

PLEASE NOTE: The tender documents will be issued only after the closing date of the Announcement
