

CERTIFIED PROOF: Sibanye-Stillwater Reldan maintains over a dozen certifications and accreditations assuring our customers that we meet the strictest industry standards for safety and environmental stewardship.

Environmental

ISO 14001:2015 Certified

Third-party audited for best practices in processes and services that proactively reduce or eliminate pollution, waste, and environmental footprints.

E-Stewards Certified

Third-party audited for best practices in the management of toxic byproducts from electronic waste specific to “final destination” recycling.

R2 Certified Responsible Recycler

Third-party audited and certified for best practices in the management of toxic byproducts from electronic waste specific to “reuse” recycling.

RIOS Certified Recycler

Third-party audited and certified for best practices in environmental, health & safety (QEH&S) practices specific to “metals, paper, and electronics” recycling.

LEED Silver Certified (USGBC)

Awarded to companies that promote continuous environmental sustainability and implement environmentally conscious strategies.

Health & Safety

ISO 45001:2018 Certified

Awarded to companies or organizations that demonstrate that they have strict occupational health and safety standards throughout their operations.

Governance

ISO 9001:2015 Certified

Awarded to companies that consistently provide products and services meeting customer and regulatory requirements and strive for continuous improvement.

ISO/IEC 17025:2017 Certified

Certification is provided to testing and laboratory facilities that meet strict quality, oversight, and continuous improvement standards.

ITAR Compliant

For companies in compliance with U.S. government regulations controlling the import and export of various technologies, services, and articles on the U.S. Munitions List.

C-T PAT Certified

Certification is awarded to companies who agree to ensure the integrity of their security practices in conjunction with their supply chain partners.

NAID AAA Certified

Verifies secure data destruction compliance with all known data protection laws through scheduled and surprise audits by trained and accredited security professionals.

CHWMEG Reviewed

Partners with companies that strive to reduce, recycle, or reuse the wastes associated with their operations.

Responsible Minerals Initiative (RMI) Conformant

Third-party audited due diligence systems and processes to ensure conformance with the Responsible Minerals Assurance Process (RMAP) Standards.
